Special Condition # 16: You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.**Supporting Evidence:** On or about February 8, 2016, Michael Mulroy violated conditions of his supervised release by consuming methamphetamine.

On February 8, 2016, Mr. Mulroy reported as directed to the vendor site for a random urine test. The sample was tested and returned a presumptive positive reading for methamphetamine. At that time, the offender denied using the illegal controlled substance.
